

2021 5th International Conference on
Materials Engineering and Nano Sciences

ICMENS 2021

Gakuin University, Japan

March 23-25, 2021

www.icmens.org

Important Dates

Submission: Nov. 15, 2020

Notification: Dec. 05, 2020

Registration: Dec. 20, 2020

Conference Proceedings

All accepted papers of ICMENS 2021 will be published into **IOP Conference Series: Materials Science and Engineering** which is indexed by **Scopus**, Conference Proceedings Citation Index—Science (CPCI-S), etc.

CALL
FOR PAPERS

TOPICS

- ◆ **Advanced Characterization**
- ◆ Biotechnology and Life Sciences
- ◆ Characterization
- ◆ Corrosion and Environmental Effects
- ◆ **Materials Culture**
- ◆ Nanopatterning
- ◆ Nanotechnology
- ◆ Optical and Photonic Materials
- ◆ **Nanotechnology and Materials Sciences**
- ◆ Carbon Nanotubes and Biomolecules
- ◆ Nanosystems
- ◆ Nanomagnetism
- ◆ **Nanooptics and Nanophotonics**
- ◆ Nanoscale Science and Technology
- ◆ Quantum Electrodynamics of Nanosystems
- ◆ Nanofluidics

Speakers

Prof. Akira Toriumi, IEEE Fellow, The University of Tokyo, Japan

Prof. Pramoch Rangsunvigit, Chulalongkorn University, Thailand

Conference Committee

Conference Chairs

Prof. Akira Toriumi, IEEE Fellow, The University of Tokyo, Japan

Prof. Richard Haverkamp, Massey University, New Zealand

Local Chair

Prof. Akihiko FUJIWARA, Kwansai Gakuin University, Japan

Program Chairs

Prof. Cattaleeya Pattamaprom, Thammasat University, Thailand

Prof. Pramoch Rangsunvigit, Chulalongkorn University, Thailand

Publication History

ICMENS 2020: IOP Conference Series: Materials Science and Engineering-Vol.840 and indexed by **Scopus**.

ICMENS 2019: IOP Conference Series: Materials Science and Engineering-Vol.378 and indexed by **Ei Compendex and Scopus**.

ICMENS 2018: IOP Conference Series: Materials Science and Engineering-Vol.625 and index by **Ei Compendex and Scopus**.
